Lyrics

V2
 For far too long, I sat around to die
 laying by the pool, drinking rum with dime bags
 Call your brother up and let him know

V3
 All of your friends are at the cellar door
 We're gonna' have to get you there before all the beer is gone
 Gotta get a dance in, before the show
 Call your brother up and let him know
 Call your brother up and let him know

V4
 Gonna lift you up 'til our feet don't touch the ground
 let's go tell the others now so we can all float around
 We'll melt into the night

V5
 I don't wanna be the one to wait around to die
 I wanna look up, so I can see the blue sky
 See the blue in your eyes

V6
 How many times does it take to get your
 feet back on the ground? We gonna get down
 Gotta get a dance in before the show
 Call your brother up and let him know
