Lyrics

Verse 2

We talked on the phone
 We'll meet at the beach
 Like sylvester stallone
 You're slurring your speech
 Pass me the drink
 Let's not walk too far
 Stay where we are

-
 Just stay where you are
 Is that what you want
 I'll close up the bar
 I'll close up the shop
 Let's take what we need
 And sit in your car
 Let's stay where we are

-
 We've been here before
 I'll meet you at ten
 We've been here before
 And we'll be here again
 Let's fall from the stars
 Sturdy work for the week
 Let's stay where we are

It's bad and i know it
 And i'd change if i could
 It's bad and i know it
 But i feel like i should
 It's so sweet when you tell me
 How lovely i am by the night's sky
 -
 The birds cannot hear us and
 Things fall apart
 And we're waiting for answers
 But where do we start
 And i'm wondering what movie
 You'll ask me to see on the weekend
 Just stay where you are (repeat)
